SUPPLEMENTAL RECOMMENDATION OF THE PRESIDENT

STUDENT FEE INCREASES, BERKELEY AND SAN FRANCISCO CAMPUSES

Recommendation: That the Committee on Finance recommend to The Regents --

1. That the Berkeley Campus Fee be increased from \$8.25 to \$9.75 per quarter for undergraduate students, from \$8.25 to \$9.75 per term for students in the School of Law, and from \$5.50 to \$7.00 per quarter for all other students, effective with the Fall Quarter, 1969; and
2. That an Associated Student Membership Fee of \$2.00 per quarter be approved for the San Francisco campus, effective with the Fall Quarter, 1969.

Berkeley

On May 20, 21, and 22, 1969, the student body of the Berkeley campus voted to increase the Berkeley Campus Fee by \$1.50 per quarter effective with the Fall Quarter, 1969. By the terms of the vote, the receipts from this fee increase are designated for the support of the planned Department of Ethnic Studies or, alternatively, of the Educational Opportunity Program. The specific assignment of the revenues has yet to be worked out with the ASUC Senate.

San Francisco

At an election held on May 9, 10, 12, and 13, 1969, the students of the San Francisco campus voted and approved the establishment of a compulsory fee of \$2.00 per quarter (but not exceeding \$6.00 in any one academic year) for the support of the Associated Students--University of California--San Francisco Medical Center. Payment of the fee will be required of all registered students except interns and residents in the Schools of Dentistry and Medicine and graduate academic students in majors other than nursing. Expenditure may be authorized jointly by the President and Treasurer of the ASUCSFMC in accordance with appropriations approved by the ASUCSFMC Council and in accordance with guidelines established by the Chancellor.
